2013 SPRING/SUMMER PROGRAM GUIDE

Mayor's Message

Enjoy finding out what's in store this spring and summer for your entertainment and pleasure. The Spring/Summer Parks Program Guide for 2013 has been organized by our outstanding employees to highlight a large variety of activities, education, recreation and community events. Spring and summer in the northwest is truly a magnificent time of year. And finally, we can once again experience it along the Green River Trail now that the sandbags are gone! It is the time of year that citizens are out and about partaking in a wide variety of activities to stay fit in their quest to lead a healthy lifestyle.

Whether you are into golf, hiking, camping, fishing, mountain or road biking, climbing or boating, we have it all. The Riverbend Golf Complex is an ideal location for those wishing to hit the links. Make sure to visit our golf professionals and receive tips on improving your game. While many people prefer team sports, you are welcome to join one of the many softball leagues here in Kent. There are year-round opportunities for a variety of exercise classes including yoga, tai chi and aerobics, and even dance classes.

Again this year, outstanding musical entertainment will be visiting Kent. Scheduled are a variety of free outdoor performances at Lake Meridian and downtown Kent. If cultural arts are more your speed, don't miss the talented professionals lined up for Kent's popular Spotlight Series. You do not want to miss the 6th Annual Jazz & Art Showcase on June 27 at the Kent Senior Center, or take in the Summer Art Exhibit June 12 at Centennial Center.

Thanks to our Sister Cities Organization and CenturyLink, the International Festival returns to downtown on Saturday, June 22, with stage performances and food from around the world.

With special thanks to the Kent Lions Club, starting June 1, you can purchase fresh produce and flowers at the Farmers Market each Saturday through September 28 at Town Square Plaza, a favorite destination for children, adults and canines where the 6½-ton granite ball floats on the water.

Summer also brings the long awaited Lake Meridian Splash on Independence Day, followed by Kent Cornucopia Days July 12-15. Please visit the City's website at www.kentwa.gov and search for "Parks and Recreation" for even more details, or to download this guide.

Enjoy this beautiful city – get out and have some fun!

Fees include all camp activities including field trips, afternoon snack and one t-shirt per summer. Kent School District offers a free lunch daily or you may send a sack lunch with your child.

PUPPY NEXT STEP

For graduates of Puppy Kindergarten. Since your puppy is now a little bit older, you can start teaching more mature behaviors, such as sit stay, come to you from a distance, walk at your side, and lie down and relax on a bed or blanket. But, just like Puppy Kindergarten, we include lots of off leash playtime with other puppies and the opportunity to meet and socialize with many new people. And, we can help with those re-emerging puppy problems, like jumping up on people, barking, play biting and excitability. For puppies 4-10 months of age.

Got a pet? Better get a license or face fines. It's the law.

All dogs and cats – indoors or out – must be licensed each year.

Residents with unlicensed dogs or cats face fines of \$125 for spayed or neutered animals or \$250 for unaltered pets.

Most pet licenses cost \$30...a lot less than a \$125 fine.

Fees for pet licensing do a lot of good:

- Fund animal cruelty investigations and provide resources to address complaints about vicious animals.
- Treat injured and sick animals and find homes for them.
- Roaming pets can get injured, but if they're wearing license tags, they have a much better chance of being treated and reunited with you.

August 15 Changing Colors

Hailing from the tiny hamlet of Manitou Springs, Colorado, The Changing Colors is a band led by twin brothers Conor and Ian Bourgal.

UNITED WAY

Volunteer with United Way's Volunteer Impact Partnership

Effectively engaging volunteers is essential for nonprofits to increase their impact on the community. Unfortunately, many nonprofits do not have the internal resources necessary to strategically use volunteers and community members in support of their missions.

We are seeking volunteers with diverse backgrounds and skills to join United Way's Volunteer Impact Partnership (VIP), a United Way program in partnership with 501 Commons that increases organizational capacity so nonprofits can more effectively meet their missions through recruiting, engaging, and retaining high-value volunteers.

United Way VIP Manager Corps: 10 hrs./week for 10 months – with a stipend

VIP Manager Corps gives organizations a temporary boost in volunteer program staffing so they can strategically grow their volunteer programs. **Volunteers will:**

- Assess management needs
- Implement specific projects that will build or enhance the program \

- Evaluate projects and ensure their sustainability
- Serve a minimum of 360 hours (about 10 hours per week for approximately 10 months) starting in January 2013

In return for their service, VIP Manager Corps volunteers will receive:

- A \$1,200 United Way service award
- Special training in volunteer management, cultural competency, and facilitation
- Valuable experience working with a nonprofit

A background in volunteer management is desirable, but not necessary. Supervision and management experience in a service industry or nonprofit setting will prepare you for this role. We are also interested in people who have served in the armed forces in a role that included supervision and leadership of others. This role will require excellent organizational skills as well as people management skills.

To volunteer as a Pro Bono Volunteer Manager with the VIP Manager Corps review the job description and submit an application.
